

peninsula fine arts center

Entry Guidelines

Guidelines for all entries:

- Structures must be tailored toward a common household pet (dog, cat, bird, rabbit, guinea pig, etc.), and constructed to be functional and durable for indoor or outdoor use. All structures must be complete, without exposed nails or other materials that would be harmful to animals.
- All dog houses, cat condos, pet furniture, etc. weighing over 50 lbs. must include a base constructed of $\frac{3}{4}$ " plywood.
- The maximum dimensions are 30" x 48" x 48" including base. Any projections must fit within these dimensions or the piece must be able to be easily disassembled for transport.

All entries must be complete and delivered to the Peninsula Fine Arts Center (101 Museum Drive, Newport News, VA 23606) between 11 am and 4 pm on Saturday, July 1, 2017. Entries will be displayed at PFAC or the Peninsula SPCA (depending on space and their suitability for outdoor use) in conjunction with PFAC's *Dream House Remix* exhibition, which opens on July 8, 2017.

Entries will be silent auctioned at the [Raise the Woof](#) event on August 6, 2017 to benefit PFAC and the Peninsula SPCA. Entries will also be eligible for cash awards totaling \$1000, including Best in Show, Best in Sculpture, Most Creative Use of Materials, Peoples' Choice, and Pets' Choice.

The Peninsula Fine Arts Center does not guarantee the return of entries, photographs, or any material generated for the production of the auction to the entrant. Once delivered to the drop-off site, all entries will become the property of PFAC until they are auctioned and picked up by their buyers. PFAC reserves the right to publish and reproduce images of all entries for any purpose. We encourage entrants to adhere to the durability guidelines to maintain the desired design aesthetic for exterior or interior display during the course of the event and incorporate a way to assist our effort to easily and safely transport your entry. We are not responsible for any damage that may happen to entries during the display, auction, or transporting of entries. All decisions and awards during [Raise the Woof](#) are final. PFAC reserves the right to reject any entry for failure to comply with the entry guidelines, and failure to comply may be grounds for disqualification in the silent auction. Your action of submitting an entry will signify that you agree to the terms and conditions above.
